Title:

Summary:

Please supply a summary of your proposal, not to exceed 1,000 words. This part of the application will serve as the primary description of your research project and it will be reviewed and rated using the following criteria:

- Strength of the rationale supporting the proposal
- Originality of the research question(s)
- Strength of the research design
- Credibility of data (or data in progress) to be completed prior to presentation
- Integration of findings
- Overall clarity of proposal

References are encouraged to be included within the proposal. **Please note that authors are responsible for obtaining permission to use copyrighted material and it must be referenced as such on the poster.**

**Cut and paste from a Word document here.*

Outline:

Please supply your poster presentation outline.

**Cut and paste from a Word document here.*

Objectives:

**Cut and paste from a Word document here.*

- Describe major elements of the study design
- Discuss the authors' conclusions
- Identify possible implications for practice

Please include a Biography for each presenter (no more than two paragraphs):

**Cut and paste from a Word document here.*

Have you presented this research at another conference? *If yes, please specify the date and association for which it was presented.*

PLEASE CAREFULLY REVIEW AND FOLLOW THE 2018 POSTER PRESENTATION GUIDELINES**Application Deadline:**

Submissions are due by **January 1, 2018**. Send this completed application electronically to dpoelhuis@aeirs.org. Applications must be submitted electronically to be considered.

Acceptance:

Notice of acceptance will be emailed in February 2018. A confirmation email reply must be received by March 15, 2018 to assure a poster space.

Questions? Please email Debra Poelhuis, 2018 Annual Meeting Chair, at dpoelhuis@aeirs.org.
