

JRCERT 4-Hour Site Visitor Workshop  
AEIRS Annual Meeting  
July 6, 2022  
1:00 PM – 5:00 PM

This 4-hour track is a comprehensive workshop provided to qualifying JRCERT site visitors and apprentices. The workshop assists site visitors and apprentices in developing or refining the knowledge and skills required to perform JRCERT site visits utilizing the relevant JRCERT accreditation Standards and the Report of Site Visit Team Findings.

For those site visitors and apprentices who have not yet completed a professional development activity regarding the **2021 Standards for an Accredited Educational Program**, you are **required** to complete “*Applying the JRCERT 2021 Standards for a Site Visit*,” an asynchronous eLearning course in the LINK Learning Management System (LMS). Information regarding the LMS and eLearning course will be emailed to the participant shortly after registration. Participants must complete the eLearning course no later than 11:59 P.M. on June 24, 2022. **Participants not completing the eLearning course will NOT be able to attend the site visitor workshop.** If you are uncertain if you need to take the “*Applying the JRCERT 2021 Standards for a Site Visit*”, please contact Janet Luczak at [jluczak@jrcert.org](mailto:jluczak@jrcert.org).

Registration Deadline is June 24, 2022. Registrations will not be accepted after June 24, 2022, or after all seats (50) are filled, whichever occurs first.
